Wonderful Light in Heavens
Seen by Petersburg
Citizens.

CROSSES FOR VETERANS

Will Be Presented Monday
Night—Interest in Congress-
sional Fight.

Times-Dispatch Bureau.
Petersburg, Va., September 12.

The big meteor seen in Richmond last night was also seen to great advantage here by many people who happened to be up until 11 o'clock. It was compared by those who saw it to the stars of a meteor, but its course was more erratic and its brilliancy was such as to illuminate the heavens and the earth. Its light penetrated the dark rooms of the sleeping inhabitants, and the city was brightly illuminated for the few seconds it was in view. A brilliant trail followed in its wake.

Crosses to Be Presented.

The ceremonies will be held in St. Paul's Episcopal Church and will be an interesting occasion. Many of the crosses have already been presented, and many more are expected to be presented on Monday night. The crosses will be presented to the veterans and their families by the members of the chapter.

COUNTY SCHOOLS
OPEN NEXT WEEK

Superintendent Wright Figures That Total Enrollment Will Exceed 5,000.

In preparation for the opening of the Henrico county schools, which will take place Monday morning at 8 o'clock, the principals will have a meeting this afternoon at 3 o'clock in the office of County Superintendent Wright at the courthouse. All teachers will meet Saturday at Mr. Wright's office to sign their contracts for the year with the local school boards. An enrollment of over 5,000 is looked for this year, although the number for the first day may not reach that figure.

There are fifty-two schools in Henrico County. All of these, with the exception of the one-room white schools, will on Monday morning begin the session of 1912-13. The teachers in the excepted schools meet with Superintendent Wright Monday for final instructions and begin work on Tuesday.

Both new and old pupils will be enrolled on the first day of school. This has not always been the custom previous to this year, but it is thought that the enrollment can easily be completed in one day. Active study will begin the second day of the session. Pupils, after being enrolled on the first day of attendance will be given their book lists and classified according to the various grades.

The session of the school board of Henrico County will be held at the courthouse on Tuesday. The board will consider the report of the superintendent and will make recommendations regarding the opening of the schools.

RECEIVERS FOR MOTORSCOMPANY

\$42,500,000 Holding Corporation
in New York Thrown Into
Insolvency.

New York, September 12.—Receivers were appointed to-day for the United States Motors Company, a \$42,500,000 holding corporation, organized in 1908 to control ten automobile and gas companies, including companies, its directors number some of the best known capitalists in the country.

The receivers, W. B. Strong and Robert Walker, were appointed by Judge Hough in an insolvency suit brought in the Federal District Court by the Brown & Sharpe Manufacturing Company of Providence, R. I., in its own behalf and that of other creditors. In addition to the appointment of the two receivers for the holding company, five of its constituent companies were involved, namely: The Alden Sampson Manufacturing Company of Detroit; the Brush Radiator Company of Detroit; the Columbia Motor Company of Hartford, Conn.; the Dayton Motor Car Company of Dayton, Ohio; and the Maxwell-Briscoe Company of Tarrytown, N. Y. The receivers' joint bond was set at \$100,000.

Bankers identified with the company say that the proceedings are friendly and brought with the purpose of clearing up the company's affairs, with a view to protecting creditors. Plans for reorganization are said to be under way.

The securities of the United States Motors Company have been declining on the curb market for some time, and it was generally reported that the company was in difficulties.

MURDER REPORT NOT CREDITED.

Relatives of Rev. S. H. Green Believe He Was Victim of Accident.

(Special to The Times-Dispatch.)
Lynchburg, Va., September 12.—Rev. S. H. Green, the Methodist minister who was found dead lying along the side of the public road near Lewisburg, Va., Monday, was a nephew of Mrs. John T. Hardy, of this city, who went to Lewisburg as soon as she heard of her nephew's death. While the particulars are not known here yet, relatives of the dead minister do not believe he was murdered, but rather that he was probably killed by a fall from his horse.

Mr. Green was a native of Fairfield, Rockbridge County, and he had been a member of the Baltimore Conference of the Methodist Church for about four years. He held several churches in Maryland and his widow is a Maryland woman. The report that he was stationed near Lynchburg for some time is incorrect, for he was never a member of the Virginia Conference, and he had been here for three years, at which time he was probably a visit in the city. In addition, his wife the dead minister is survived by two small children.

Cox today summoned a number of witnesses to testify in behalf of the city in the case. The authorities of Alexandria and Fairfax Counties are also ready for the hearings of the proceedings.

It is not thought that Corporation Attorney Fisher, who is now in the city, will be able to appear in behalf of the city when the case is called.

TRIAL OF HONORANT CASE.

Evidence Falls, Raid Instigated by Ministers and Others.

(Special to The Times-Dispatch.)
Bristol, Va., September 12.—The Virginia Corporation Court today entered into the trial of the cases against Texas Bondurant and four other women charged with conducting certain resorts. These cases were heard today from the Mayor's court, following a sentence for each of the women. Only the Bondurant case was heard today. It will go to the jury tomorrow. These cases have attracted wide attention because of the fact that Dr. J. A. Haylor, of State Street Methodist Church, and other prominent Bristol men took in bringing about a police raid.
